Workshop participants will learn from the experiences of **Helsinki, Santander and Flanders** about how to **lower barriers to older citizen engagement**; effective **co-design** ingredients; and how to use Digital Twin technology to leverage citizens' needs.

The workshop will take place online on the **12th October 2021 at 4:30pm CET**. You will have the opportunity to engage with experts including:

- Felipe Perez-Manso, Councillor for Innovation at Santander City Council
- Tine Buffel - Director of Manchester Urban Aging Research Group
- Nhu Tram - Project Officer, AGE Platform Europe

Pre-registration is open until the 30th August 2021.
