October  
2023

[URBANAGE](#) project and [Open & Agile Smart Cities \(OASC\)](#) are organising a face-to-face workshop: ***From Interoperable Urban Platforms to Local Digital Twins: Inclusive Tools for Resilient Cities***, in Brussels at the European Week of Region and Cities 2023.

Don't delay and [register today!](#)

European societies are changing, impacting all aspects of urban planning and governance. [URBANAGE](#) and [OASC](#) will present examples (e.g. Minimal Interoperable Mechanisms, digital twins, data spaces, and AI) of how data governance and technology can accelerate collaboration and digital transformation and help create digital urban ecosystems, having a sustainable impact on cities. This workshop aims to foster data sharing, scaling of solutions, interoperability, and collaboration.

The face-to-face workshop will take place in Brussels, Belgium on the **11th October 2023 at 4:30pm CET** at SQUARE Brussels Meeting Centre, Room 206. Don't miss the opportunity to obtain information on how to create resilient cities and engage with experts including:

- Ms. Marine Luc - Project Manager, [AGE Platform Europe](#)
- Ms. Sophie Meszaros – Project Manager, [OASC](#)
- Mr. Michael Mulquin - Ambassador, [OASC](#)

We are eager to welcome you to our event!
